Volume 19, 1999

Subject Index

Academic detailing, 85
Adult education, 54–60
Adult learning theory (ALT), 86, 94
Advance directives, 105–109
Age, 72
ALT. *See* Adult learning theory
Attachment, 116

Behavioral change, 200–206
Brain, 69–75

Cancer nursing, 34–43
Case management, 181–191
Certified nursing assistants, 113, 116–117
Change
  commitment to, 200–206
  motivation and facilitation of, 132–140
Cognitive dissonance, 205
Cognitive neuroscience, 69–75
Collaborative learning, 56
Communication, 202–203
Computers, 158, 242–248
Continuing education
  case management approach, 181–191
  credit hours for general practice dentists, 97–103
  and managed care, 5–14
  motivation and facilitation of change, learning, and participation in, 132–140
  of oncology nurse, 34–43
  for staff in long-term care facilities, 119–120
Continuing medical education
  as coaching, 250–252
  and commitment to change, 200–206
  for community practitioners, 76–83
  and continuing professional development, 214–220
  educationally influential physician, 152–162
  evaluation of learning in health care organizations, 227–232
  faculty attitude in university-sponsored, 122–128
  and health care performance measurement, 222–226
  on Internet, 242–248
  learner-centered, 208–213
  needs assessment in, 25–33
  and recertification of family physicians, 45–53
Continuing professional development, 199, 214–220
Cooperative learning, 56
Credibility, 87–89, 91–94

Death and dying, 113, 117–119
Decker Prize, 253
Declarative memory, 70
Dentistry, 97–103
Discrepancy analysis, 134
Doctors. *See* Physicians

Educational outreach, 85
End-of-life care, 105–109
Externalization program, 170–180

Facilitator, 57
